Audio:

- BURR BROWN Converter PCM1792 (24 bits/192 kHz)
(129dB dynamic range; THD+n<0,0004%)
- Symmetrical outputs current
- Symmetrical power transformers for output stages
- Output stages with discrete components and no feedback
- High technology MKP condensators

End users:

- Serial remote with volume control and sources selection
- Front panel with volume control by encoder and direct sources keys
- Digital display of volume level & sources

1,5mm steel chassis ; 8mm front panel (black or silver)

Dimensions: 440*280*60 mm

Weight: 4 Kg
